Dear Captain Jason,

Nueces County intends to enter into an Intergovernmental Support Agreement (“IGSA”) with Naval Air Station Corpus Christi (“NASCC”) and the Department of the Navy to provide water utility installation and maintenance goods and services to NASCC as may be required by the Navy. We will provide these goods and services both through our own organic capability within the County Public Works Department and through vendors on contract with Nueces County. All contracts awarded by Nueces County are awarded on a competitive basis in accordance with Nueces County policy and the laws of the State of Texas.

We understand that this letter is nonbinding and constitutes an indication of our interest only. This letter creates no liability or obligation of any nature with respect to any contemplated transaction or any other matter or action described or referred to herein.

Nueces County is truly pleased and excited about the potential benefits of an IGSA for the County, NASCC, and the Navy. Nueces County currently enjoys a strong relationship with NASCC and we see this venture as another opportunity to grow the relationship. We believe we can assist NASCC in meeting its mission in the most efficient and economically feasible manner and we look forward to doing so.

If you have any questions or need additional information regarding our interest, please contact me at (361) 888-0444 or via email at [Barbara.Canales@nuecesco.com](mailto:Barbara.Canales@nuecesco.com).

Sincerely,
