and which is to be constructed in accordance with and subject to THE RULES OF NUECES COUNTY, TEXAS for PRIVATE SEWAGE FACILITIES as adopted by the Commissioners Court of Nueces County, Texas under the authority of Section 26.032 of the Texas Water Code. Said construction is subject to any additional or amended Rules, Regulations and Orders adopted pertaining to the regulation of private sewage facilities within Nueces County and to all of the following conditions:

1. The facility covered by this permit shall be inspected and approved by the licensing agency prior to the final covering of the facility. At least forty-eight (48) hours, excluding weekends and legal holidays, notification shall be given to the licensing authority for an inspection of construction.
2. This permit may be transferred, assigned or conveyed by the holder and applies only to the location specified herein.
3. This permit shall expire one year from the date of issuance unless construction has commenced on the private sewage facility for which this permit is issued.
4. The facility covered by this permit shall be constructed in accordance with minimum standards as set out in the latest addition of the CONSTRUCTION STANDARDS OF ON-SITE SEWAGE FACILITIES published by the TEXAS NATURAL RESOURCE CONSERVATION COMMISSION.
5. This permit is not a guarantee that the facility will receive an operating permit at the end of the construction period, nor does it absolve the holder of responsibility for the consequences of noncompliance with all Rules, Regulations and Orders of the rules pertaining to the regulation of private sewage facilities within Nueces County.

Acceptance of this license constitutes an acknowledgment and agreement that the holder will comply with ALL RULES OF NUECES COUNTY, TEXAS FOR PRIVATE SEWAGE FACILITIES as adopted by the Commissioners Court of Nueces County, Texas and all conditions stated herein.
