Beach Management Advisory Committee Letter of Resignation

Judge Canales, Commissioner Chesney and Chair,

Please accept my resignation from the Beach Management Advisory Committee.

Due to the unfortunate state of things in our community with Covid19, I'm only able to focus solely on my businesses and two young daughters.

I regret that I have to resign so soon after being appointed but wanted to give you ample time to appoint a new committee member.

I wish the remaining members luck with their commitment to Nueces County Beaches.

Sincerely,

Lindsey Abel Pietsch
