Judge Barbara Canales
901 Leopard St., Rm 303
Corpus Christ, Texas 78401

Dear Judge Canales,

I am nearing the end of my two-year term on the Nueces County Emergency District #6's Board of Commissioners. I have learned so much the past two years about the operations of an emergency board and county government. I thank Nueces County for the opportunity to serve.

However, right now, my personal circumstances demand my attention elsewhere. Therefore, I will not be reapplying for reinstatement as a Commissioner on the Board.

I only wish the best for Nueces County Emergency District #6 and the valuable service they provide.

Sincerely,

Judy Felder, Commissioner/Secretary
Nueces County Emergency Services District #6
