Re: Port Aransas Economic Development Grant Funding

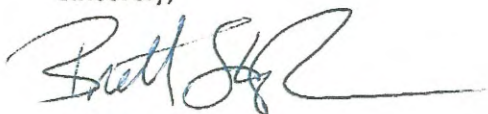

October 1, 2019 through September 30, 2020

The \$4,500.00 dollar Grant funds the Port Aransas Chamber of Commerce received from Nueces County were used and will continue to be budgeted for Economic development. This is an ongoing project that will have a positive impact on the entire community.

In the past year, and in the upcoming year, these most welcome funds will be utilized in the area of Economic development, specifically the Urban Land Institute Port Aransas Economic Development Study. This study will be used to develop new and expand ongoing projects for our community to ensure the continued growth and expansion of our economic bases.

We very much appreciate your interest in our community and support of our efforts.

Sincerely,

Brett Stawar
