RE: October 1, 2019-September 30, 2020 Report

Dear Honorable Judge Barbara Canales:

The *Robstown Area Historical Museum* continues to serve the citizens of Robstown and Nueces County through the preservation and exhibition of historical archives and artifacts of this area. These exhibits are enjoyed by all of our visitors from this area, from other parts of the state and even from several other countries.

FY19-20
Outside Agency
Report

\$1,500.⁰⁰

Commissioner
Pct 3

We continue to improve the number and diversity of our exhibits; the quality of exhibit displays and the maintenance of our historical building. We take great pride in collaborating with our schools, our local community organizations, and our local city government. As a result, we were able to sponsor a variety of events for our county residents such as Veterans Day Program, speakers on historical topics, community organizations who meet at the Museum, visits by students, and as a resource for research topics by interested residents and graduate students from colleges and universities.

We sincerely thank you and express our appreciation for your financial assistance that has allowed us to provide these services to the residents of Nueces County.

Thank you,

Rumaldo Z. Juárez, Ph.D.
President, RAHM Board of Directors
