County Board or Commission Information

Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.

I was a member of the Parks and Recreation Advisory Board for Corpus Christi for 6 years until completion of term in August 2020. I was elected as Vice-Chair for that organization. As Vice-Chair of PRAC, we brought relevance and purpose to a Board that was stagnant and non-involved in decision support. I volunteered to liaison with the Watershore and Beachfront Committee and used that responsibility to ensure items relevant to both Boards were expressed and, if necessary, both Boards could take action together. Participation in both Boards has given me access and working knowledge of City of Corpus Christi Beach Operations and personnel. I believe I can bring this knowledge to Nueces County and make myself a valuable member of the Commission. I was born and raised in Corpus Christi and have a love for the natural environments we are blessed with. I also believe that our Coastal Beaches are important as an economic resource for our area. Thank you for the time in reviewing my application.

I hereby certify that the foregoing answers are true. I further certify, should I be **considered for appointment** to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also, should I be **appointed** to a board, commission, advisory board or committee, and should a conflict of interest exist or develop about a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include **but are not limited to**: a direct or indirect financial interest by me or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question. ***I hereby affirm that I meet the minimum qualifications and residency requirements for this board or commission.**
