Dear Judge Canales:

I am writing to express my strong desire to continue serving as a Commissioner on the Coastal Parks Board, and to request reappointment to a fifth term.

It has been a tremendous honor serving Nueces County, and working to enhance the County's coastal parks has been extremely satisfying. As a resident of Padre Island, I understand the important role the coastal parks play in the island's character and just how central they are to the island lifestyle that we all love.

It has been incredibly rewarding seeing the Padre Balli and I.B. Magee Beach Park master plan projects start to come to fruition, but with the devastation brought first by Harvey and then Hanna, there is so much still to do to get the parks and piers, not to mention the beach and dunes, back to where they need to be. I want to be part of the solution, and would greatly appreciate the opportunity to continue to serve and to be a contributor in this important work.

Thank you for your consideration. If I can be of service, please feel free to contact me at [REDACTED], or by phone at [REDACTED]

Sincerely

Robert J. Paulison
