Dear Judge Barbara Canales:

I hope this note finds you and your family well. I have been impressed with your handling of the county affairs throughout this unfortunate pandemic. Your drive is remarkable!

I am honored to have served on the Nueces County Coastal Parks Board for the last several years and I've enjoyed all that the role entails. Under the guidance of you, Commissioner Chesney, Scott Cross and Jim Needham, I have learned a tremendous amount about the needs of the coastal assets owned by the County.

We have experienced many "alligators" - as my Dad calls them - in dealing with unexpected events, but I believe we have come together as a board to handle them efficiently. Your leadership and guidance throughout these events have been extremely helpful, and I have been proud to help you accomplish and facilitate the goals you have set for us to achieve.

I respectfully request that I am offered the opportunity to continue to serve on the Nueces County Coastal Parks Board. I have attended every meeting on time and I have actively pursued additional tasks in order to assist in any way possible. I have been appointed to assist when Jim Needham is unavailable to chair our meetings and I have appreciated the opportunity.

I believe I have served as a positive influence to the board. I hope to continue to work together with the team to maintain our assets and to ensure that all are income producing.

Thank you for your time and your consideration.

Sincerely,

Troy Adler
