Dear Judge Canales,

I am requesting the opportunity to continue serving as a Nueces County Coastal Park Board Commissioner. I have truly enjoyed serving the county in this capacity. While Hurricane Harvey threw us a curve ball, followed by Hurricane Hanna, we are not deterred and continue to move forward to bring the best to the Nueces County Coastal Parks. The parks continue to develop and grow while generating valuable revenue for Nueces County. I believe this growth will continue and grow.

As we develop our planning workshop for next year, we see so many more opportunities to continue to improve our parks. I must commend Scott Cross for his leadership. We are a devoted and committed board and he is truly the captain steering us in many exciting directions.

I hope you will consider my request to continue as a Nueces County Coastal Park Board Commissioner. It is truly rewarding and a joy to serve with such talented individuals.

Sincerely,

Janie Bell
