Judge Canales,

Thank you for allowing me to participate in the wonderful projects that the Nueces County Parks Board has been involved in my past two years serving on the board. It has been a pleasure working with you, Commissioner Chesney, Jim Needham, Scott Cross and my fellow board members.

We are just now turning the corner on Padre Balli Park and I. B. Magee Park with more exciting opportunities ahead including our struggles with Mikel Mays, Bob Hall Pier and of course, Covid and beach access issues. If you permit me, I would be honored to serve another two years on the board to see these projects and others completed.

Sincerely

Tyler Thorsen
