Mr. Little,

Nueces County Drainage District No. 2 Commissioners would like to know if the items in our HB 4621 can be place on your agenda for the next Commissioner's Court Meeting. I am not sure if both items need to be place on the agenda.

1. Commissioner's compensation
2. Benefit

Please let me know if you need anything else from the District. After reviewing the budget, I have included a recommendation for compensation.

Respectfully,

Sara S. Garcia
