Re: **Amendment** to Supplemental Pay Letter for Current Fiscal Calendar (2020-2021);
Allocation Under 1325

Pursuant to Chapter 46 of the Texas Government Code, the "county prosecutor" receives a state supplement that is paid by the state. *See* § 46.0031 Tex. Gov. Code. Using this account has no fiscal impact on the County. The usage of this account is governed by § 46.0031, and the "county prosecutor" has the sole discretion to use this account pursuant to the limitations set out by the same statute.

The County Attorney has decided to apply the funds in the following amounts.

County Attorney Dorsey amends the previous County Attorney Supplemental Pay Letter for this year by reducing her supplemental pay, eliminating supplemental pay for two positions, and providing supplemental pay to Matt Dennis as highlighted and reflected herein.

	Position	Previous by Position	Change	Amended	Note
Jenny Dorsey	County Attorney	\$18,780.00	-\$4,007.00	\$14,773.00	Reduction
Patrick Overman	Atty II Civil (CO Atty)	\$5,772.70	-\$5,772.70	\$0.00	Vacancy
Matt Dennis*	Atty II Civil (CO Atty)			\$4,273.00	New
Esmeralda Chavana	Legal Secretary I	\$1,000.00	-\$1,000.00		Retired

*Matt Dennis started work on July 14, 2021, and his supplement should start on that date, so that the supplement he should have received from the beginning is paid to him as soon as possible.

This letter does not in any way waive, relinquish, or otherwise reduce the amount of supplemental pay the Nueces County Attorney's Office is entitled to receive from the State or the total amount in the County Attorney's 1325 account.
